

27th Annual NJ Decoy Collectors Association's Decoy, Art & Hunting Collectibles Show & Sale

GALLOWAY, NJ – What to do on an early Spring Day? Why not join Decoy carvers, collectors, wildlife & conservation enthusiasts, art lovers, and families who will be converging Saturday, April 6, 2019 at their new location, the Seaview Hotel & Golf Club, Galloway, NJ for the 27th Annual NJ Decoy Collectors Association's Decoy, Art & Hunting Collectibles Show & Sale. The show is routinely described as “the best old decoy show in the country”.

This one-day event, which takes place from 9am to 4pm, offers opportunity for family fun, appraisals, food, raffles and a silent auction. There will be exhibitors showing everything from decoys, shorebirds and song birds to wildlife artwork and photography. The price for some antique decoys can go into “the six figures”, but there will be something for every budget at the show.

Admission is \$5. Children are free. Admission for members of Ducks Unlimited, Tuckerton Seaport or anyone signing up for NJDCA membership at the show will include the chance of winning a door prize.

Again this year, NJDCA and DUCKS UNLIMITED are teaming up to offer chances to win decoys, hunting items, and other surprises through Bucket Raffle and Silent Auction events being held and drawn the day of the show. A decoy by Carver of the Year, Darin Midgette, will also be raffled off.

Visitors to the show can also meet the NJ Decoy Collectors Association's annual selection for “Carver of the Year”, Mr. Darin Midgette of Williamstown, NJ.

The NJ Decoy Collectors Association is a group of over 200 collectors and carvers formed nearly 50 years ago who share an interest in decoys. They meet monthly (except December) on the 4th Tuesday of the month at the Manahawkin Elks Lodge, 520 Hilliard Blvd., Manahawkin NJ.

Ducks Unlimited supports a mission of habitat conservation. Thanks to more than 80 years of abiding by that single mission, Ducks Unlimited is now the world's largest and most effective private, nonprofit, waterfowl and wetlands conservation organization. DU is able to deliver its work through a series of partnerships with private individuals, landowners, agencies, scientific communities and other entities. Waterfowl are not the only beneficiaries of DU's habitat work. Ducks Unlimited is a grassroots, volunteer-based organization. Its members are conservationists and outdoor enthusiasts who live primarily throughout the United States, Canada and Mexico.
